**DOORS
CATALOG**

Welcome to Tahboub, where craftsmanship meets quality. We specialize in creating premium wooden doors that are more than just functional; they're pieces of art designed to elevate your space. Our mission is to provide doors that offer exceptional durability, style, and functionality, transforming your home or business with timeless elegance.

At Tahboub, we utilize state-of-the-art manufacturing machinery to ensure precision and consistency in every door we produce. Our advanced equipment allows us to execute intricate designs and perfect finishes, ensuring each door meets our high standards for quality and durability.

However, technology is only part of the equation. Our skilled installation teams, composed of experienced craftsmen, bring their expertise and attention to detail to every project. With a deep understanding of woodwork and installation techniques, they ensure that each door is fitted seamlessly, enhancing both functionality and aesthetics. The combination of cutting-edge machinery and dedicated craftsmanship allows us to deliver doors that are beautiful, reliable, and perfectly installed.

At Tahboub, we are deeply committed to upholding the highest standards of craftsmanship, combining tradition with modern techniques to deliver doors of exceptional quality. Every door is meticulously crafted by skilled artisans who take pride in their work, dedicating time and attention to even the smallest details. Using only premium-grade wood and top-quality finishes, we ensure that each piece is both beautiful and durable.

TD1003

Mahogany

Our artisans shape each door with care, emphasizing the natural beauty and unique characteristics of the wood. In addition, our rigorous quality control process goes beyond visual inspection, testing each door for strength, durability, and resilience to environmental factors. This ensures that every door meets our exacting standards for both functionality and aesthetic appeal, giving you a product that is built to last and designed to enhance your space.

Tahboub offers custom design services to make your vision a reality. Whether you need a door that complements your unique architectural style or you have specific dimensions in mind, our team will work with you to create a door tailored to your exact needs. Choose from various panel styles, finishes, and hardware to design a door that's distinctly yours.

Each door we produce is carefully engineered with durability in mind, ensuring it stands the test of time and daily use. We employ advanced treatment processes to protect the wood from common issues such as warping, cracking, and moisture damage, maintaining the door's beauty and functionality for years to come.

We offer an extensive selection of wood types to cater to diverse tastes and functional requirements, allowing each customer to find the perfect match for their space.

Our range includes rich mahogany for its deep hues, classic oak for timeless strength, and sustainable bamboo for an eco-friendly option. Each wood type offers unique grain and texture, adding character to every door. Our woods ensure both quality and sustainability, creating doors that are as environmentally responsible as they are beautiful.
