FIRST VISIT

24 Hours

- 1 Reception **WELCOME!**
Get paired with a team of two interior designers!
Our designer teams have different shifts, so we can help work with your schedule!
- 2 Take a **tour** of our showroom and browse our products!
- 3 Get a feeling for: **A.** The layout
B. Functionality of space
C. Developing a theme!
- 4 Think of what best suits **your taste and preferences.**
Arrange for taking your space's measurement!

ARRANGE FOR A MEASUREMENT

2 Days

Your interior designer team and measurement team will organize all details with you and collect the exact **dimensions** of the space of your project or home.

The team of interior designers will start a **sketch** for the proposed layout for your project based on:

- A.** Electricity **B.** Gas lines
- C.** Windows / Columns / Space restrictions
- D.** Functionality of space

Once the sketch is completed, a follow-up meeting will be scheduled.

PICK YOUR STYLE

2 Days

Return to the showroom!

Design your space with everything taken into consideration!
Sit down one-on-one with your interior designer and create the perfect layout!

During this process, you will begin to select and narrow down a **theme of colors, materials, and finishes** for your project!

FINALIZE YOUR DESIGN

24 Hours

You will be presented with a **price offer** for your project!
At this stage, you will have the opportunity to figure out what works for you! You can change your design and/or materials to suit your budget.

SIGN A CONTRACT

24 Hours

Upon finalizing the design, we sign a **contract** that has all the small details of your kitchen!

We require a minimal down payment on the project to reserve your materials.

INSTALLATION APPOINTMENT

Arrange for an **installation** date.

Kindly give us notice of when your location will be ready to put you into our manufacturing schedule.
